FULL DAY KUPA

Risnjak National Park & Kayaking on Kupa

Begin the day with a visit to Risnjak National Park, where you will explore the diverse ecosystems of this breathtaking natural reserve. After immersing yourself in the park's beauty, continue with a kayaking adventure on the Kupa River, known for its emerald-green waters and rich biodiversity. As you paddle through its emerald waters, you will have the opportunity to see birds and other animals in their natural habitat. A picnic of local food in a natural setting completes this experience.
